

Games: Day 2- Blindfold Obstacle Course

We may not be able to see God, but we can HEAR from Him. If we believe in Jesus, God gives us the Holy Spirit to live inside of us. The Holy Spirit guides us and helps us make wise choices, but we have to listen! Let's play a game that will require a lot of listening.

Supplies Needed:

Blindfold

Obstacles- furniture, piles of laundry, kitchen utensils, stuffed animals, etc.

What you do:

Blindfold someone in your family. Once they are blindfolded, set up obstacles in a room or hallway in your house. Choose someone to be the instruction giver. All other family members will be distractions. The person blindfolded must get to the other side of the room or hallway without running into any of the obstacles. Those distracting will say things to try and distract the person blindfolded from getting to the other side of the room. The goal is for the person blindfolded to get to the other side of the room without hitting obstacles. They will have to listen closely to the person giving directions and not let the other things being said distract them from where they are going! Take turns playing the different roles. Remember, just like in this game, things try to distract us from God. We need to listen closely to what He is saying. You can HEAR from God!

Submit a photo/video to ccckidssumter@gmail.com of your family playing this game and you will be put in a drawing for an awesome surprise! (Submissions due by Monday, July 20) Your family must be tuning in live July 22 to claim the prize! There will be more than one winner!
