

Missions and Crafts Day 1

Each time we meet for Summer Blast, we will be learning about and supporting a CCC ministry partner! Today, we will be supporting Sumter United Ministries. You will have the opportunity to collect money for Sumter United Ministry throughout the month of July. We have included a container your child can decorate to make collecting money more exciting! Be sure to check out the video from Sumter United Ministry with your kids on our Summer Blast page so they understand who they are helping!

Supplies Included:

Plastic Container with lid

Decorating stickers

Supplies Needed:

Sharpies (with your supervision!)

Any other decorating items you may have!

What You Do:

Watch the mission's video on our Summer Blast website so your child(ren) and how their collecting money throughout July will help those right here in Sumter!

Encourage your child(ren) to talk about the video and ask any questions they may have. Check out United Ministries website to learn more about what they do and how you can help: sumterunitedministries.org

Allow your child(ren) to decorate their collection container and start collecting!

Drop off your collection container at the CCC Office the last week of July!
