

## Missions and Crafts Day 4

Our mission and crafts for Day 4 will help brighten the day for the residents of Morningside Assisted Living. Your child(ren) will get to write or draw a card to these residents who have had a tough couple of months. Be sure to check out the video on our Summer Blast web page together so your children learn about why this project will be so encouraging to the older generation of our Sumter community!

Included Supplies:

Cards  
Makers  
Crayons  
Pencil

Not included:

Any other decoration items your kids choose!

What you do:

Allow your child(ren) to decorate and write the cards to the residents of Morningside.

*Drop them off at the CCC Office the last week of July with your donation for Sumter United Ministries.*
